

Under 10 – Under 13

Field Setup and Take Down

WARNING – The metal goals are heavy! Four adults are required to move the goals. Children are NOT to move the goals.

Field Markings in WHITE

In most cases the Under 10's will set the fields up and the Under 11's will take down. Please check the board to see what your team needs to do each week.

Coaches and Managers should have **four adults organised** to **set up** and **take down** after the game if required.

Remember – that another game could be following and it will need setting up by that team – **so please be quick.**

Note: Games must start on time, any delay in setting up of the ground or teams being ready to play will result in **your match** being cut short, please give yourself at least 30 minutes before match time.

MiniRoos
Under 10 – Under 13
Technical Area for Coaches, Managers, Competing and Reserve Players and first-aid personnel only. **Supporters** must be 3m behind side lines, 5m from Goal line, not behind Goals while a match is in play.

SET UP – check the board to see what your team needs to do

- Goals are the metal goals, obtain from compound – **Adults to move the goals**
- Markers, pegs and mallet are in the bucket beside goals in compound.
- Secure goals with pegs provided, one for each side and two for the back.
- Please, do not hammer all the way into the ground.
- Place markers (6 for each side line and 2 for each goal line) around the field.

TAKE DOWN – check the board to see what your team needs to do

- Collect all cones, goals and pegs from your field as soon as possible as they may be another age group playing straight after your game.
- Adults to return the goals**, children can return the bucket, mallet, markers and pegs to the compound after the game if there is no game following.
